

# Local Power Solar Inverter Cover

The UV in sunlight is harsh on materials!  
Sunlight degrades inverter LCD screens over time

A quality stylish cover can protect your inverter

***Fully installed for just \$290***

*(inc-GST Brisbane metro area)  
(Covers a volume of 64cm high x 56cm wide x 25cm deep)*

***Local Power***

PO Box 5817  
West End, Q. 4101
